**RE: DEMAND FOR REPAIRS** — 1450 S Pearl Street, Denver, CO, 80210  
Case No: 2024CV12345

Dear Mile High Property Group, LLC

I am writing to formally demand that you make necessary repairs to the rental property identified above. As you know, the following conditions exist at the property and violate the warranty of habitability:

The heating system has been broken since January and the landlord has refused to repair it despite multiple written requests

These conditions affect the health and safety of my household. I have previously notified you of these issues on multiple occasions. This letter serves as formal written notice pursuant to state law.

I request that you complete all repairs promptly and within 7 days of receiving this letter. If the repairs are not completed, I will pursue all legal remedies available, including filing a complaint with code enforcement and using this letter as evidence in eviction court.

You may contact me at the phone number or email below to arrange access for repairs.

Sincerely,

John Doe
