RE: DEMAND FOR REPAIRS — 4915 Delmar Blvd, St. Louis, MO, 63108
Case No: 24SL-CC01234

Dear Gateway Property Management, LLC

I am writing to formally demand that you make necessary repairs to the rental property identified above. As you know, the following conditions exist at the property and violate the warranty of habitability:

The heat and hot water have been intermittent and the landlord has not repaired them despite written requests.

These conditions affect the health and safety of my household. I have previously notified you of these issues on multiple occasions. This letter serves as formal written notice pursuant to state law.

I request that you complete all repairs promptly and within 7 days of receiving this letter. If the repairs are not completed, I will pursue all legal remedies available, including filing a complaint with code enforcement and using this letter as evidence in eviction court.

You may contact me at the phone number or email below to arrange access for repairs.

Sincerely,

John Doe
